Florida's Backtrack Blues Band is receiving worldwide radio play for its latest album "Make My Home In Florida." The band is currently accepting international bookings for festivals and concerts. Here's what music critics are saying about the band's exceptional release:

"Lead vocalist Sonny Charles is a top-notch harp player, contributing several worthwhile original songs. Lead guitarist Kid Royal supplied some very much in context guitar playing; no over-the-top rock solos - just good, clean to the point playing, with a top rhythm section supporting beautifully!"
- **Norman Darwen, Blues and Rhythm, UK, Feb. 2018**

"Singer and harmonica brawler Sonny Charles, and his similarly capable co-workers apply a traditional, natural-seeming approach to four originals and untarnished gemstones connected to Sonny Boy Williamson II, B.B. King, and T-Bone Walker. The quintet leans hard into phrases with proficiency and enthusiasm!

- **Frank John Hadley , DownBeat Magazine , April 2018**

"The Backtrack Blues Band is one of Florida's longest running and most accomplished blues bands. The quintet's latest masterpiece of an album captures a high energy performance featuring the stellar blues harp and vocals of Sonny Charles, and the impressive Texas guitar sounds of Kid Royal, layered over a seamless Chicago - style rhythm section."

- **Philip Verhaege, Keys and Chords, Feb. 2018**

"No pharmaceutical drug can re-create the high you get when the band is hitting on all 8's, the crowd is into it, and everything come together in a truly unique and magical performance. For old-school blues the way they were intended to be played, you can't beat the Backtrack Blues Band."

- **Donaldsherylsbluesblog , Feb. 2018**

"On their new live album, Backtrack Blues Band delivers one searing, soothing, sublime song after another. Each track brings the listener into the high energy "live" experience more successfully than any other album I can remember!"

- **Greg Victor, Parcbench, Jan. 2018**

"If the Paul Butterfield gang had been younger and healthier, they might have been this crew. Solid pros throughout, they know how to take you back to the day . . . a tasty set!"

- Chris Spector, Midwest Record, Jan. 2018

“When a group of seasoned blues men added a hot young guitarist, Kid Royal, it was a partnership made in paradise. They deliver from the first notes of Sonny’s harp. Sonny’s vocals have a lazy, southern swagger and guitar lines so fluid that they’re practically dripping!”

- Roger and Margaret White, Big City Blues Magazine, March, 2018

“Their seasoned sound bears plenty of bite, with singer/harmonica man Sonny Charles leading the charge.”

- Jim Allen, Culture Sonar, Feb. 2018

“For those who still don’t know this excellent electric blues band, this well done double disc is a must to discover the irresistible groove, the feel, the good energy of this band. Infectious blues!”

- Mike Penard, Radio I.S.A., France, Feb. 2018

“Solo guitar carved in stone by vigorous Texas muscles with Kid Royal. Led by Sonny Charles, the main voice and harmonica, this features the band in the best format: direct, honest, with no studio overdubs or effects. In a word: authentic!”

- Giovanni Robino, Macalle Blues, Italy, Feb. 2018

Backtrack Blues Band looks forward to performing at your festivals and concerts in the near future.
